Dage	3	LAST PAGE	

Case No:

If you may be eligible for early discharge from probation under MCL 771.2 (see #11 above), you must complete the following before the court will consider whether to discharge you:

- 1. 1/2 of the original probation period.
- 2. all required programming.

When these conditions are met, the probation department may (but is not required to) notify the court that you may be eligible for an early discharge from probation. If the probation department does not provide this notice, and as long as you have not violated probation within the last 3 months, you may notify the court that you may be eligible for early probation discharge by completing form MC 512, Notice of Eligibility for Early Discharge from Probation, and filing it with the court.

DEFENDANT'S ACKNOWLEDGMENT

I have read or heard the order of probation and have received a copy. I understand and agree to comply with this order. I also understand that federal and/or state law may prohibit me from possessing or purchasing ammunition or a firearm (including a rifle, pistol, or revolver) if the court found I represent a credible threat to the physical safety of a named person and/or explicitly prohibited (in item 10) the use, attempted use, or threatened use of physical force that would reasonably be expected to cause bodily injury to that named person.
